Ambassador Roy graduated from Princeton University (B.A., 1956). He was born June 16, 1935, in Nanjing, China. Ambassador Roy is married, has three children, and resides in Bethesda, MD.

Message to the Senate Transmitting an Amendment to the Montreal Protocol on Substances that Deplete the Ozone Layer

May 14, 1991

To the Senate of the United States:

I transmit herewith, for the advice and consent of the Senate to ratification, an Amendment to the Montreal Protocol on Substances that Deplete the Ozone Layer, adopted at London on June 29, 1990, by the Second Meeting of the Parties to the Montreal Protocol. I am also enclosing, for the information of the Senate, an unofficial consolidated text of the Montreal Protocol

that incorporates the Amendment, as well as the adjustments also adopted on June 29, 1990, under a tacit amendment procedure, which provide for a phaseout of CFCs and halons by the year 2000. The report of the Department of State is also enclosed for the information of the Senate.

The principal features of the Amendment, which was negotiated under the aus-
